Subject: Request for Funding of Summit Implementation Report

Dear President <sup>Yolanda</sup> Becerra-Jones,

The Office of Women's Health is writing an Executive Summary report on the implementation of the 2007 Women's Health Policy Summit recommendations which we plan to publish

Because of our unique history with the Commission for Women dating back to the initial 1997 Summit, we would like to request your support in the amount of \$600 for the printing of 250 copies of a 20 page report on the implementation process, accomplishments, challenges, and lessons learned. The Commission for Women would be credited as sole funder.

Reports will be sent to the Health Deputies, Public Health Senior Managers, the Summit Leadership Task Force, the Women's Health Policy Council, the Commission for Women, legislators, funders, and other interested colleagues. Primary distribution will be via our website. A flyer announcing the publication will be sent to our contact list of approximately 2,000 women's health stakeholders.

We appreciate your consideration and look forward to your earliest response.

Sincerely,

A handwritten signature in black ink, appearing to read "Ellen Eidem". The signature is fluid and cursive, with a long horizontal stroke at the end.

Ellen Eidem, MS
